

Local Heroes

Beryl Young, the lady with the hat in the picture is a retired school teacher and grandma and loves knitting and has been litter picking every morning around Hatch Warren.

If you know someone who deserves to be featured as a Local Hero then please send a short write-up and photograph to editor@therabbiter.biz

BASINGSTOKE DEANE ROTARY

THANKS TO OUR VOLUNTEERS.

Basingstoke Festival of Transport, run by us, requires a lot of careful planning but also relies on an army of nearly 90 amazing volunteers who work with us on the day to make this event happen. They helped us set up, park up the vehicles, sell programmes and a host of other jobs. We would like to take the opportunity of saying A HUGE THANKS to our volunteers. Without them giving us their time, we would not be able to put on the biggest event in Basingstoke's annual calendar; Thank you!

THE BIG HELP OUT

Where were you on Coronation Monday? Did you join the big help out? Those that did had a whole lot of different experiences. This is what they said – 'They did things they had not done before', 'Met people they didn't know and made new friends' and went home tired and happy with a feeling of well-being. It will not be the last time they volunteer and for many it was a positive experience that they will want to continue.

A ROADSHOW FOR GREEN WEEK!

As promised, WE are getting straight back to work post-election and this month we're focusing on one of our key priorities: the environment. Basingstoke Green Week is running from 10th to 18th June this year and, in collaboration with the Basingstoke and NE Hants Green Party, we're holding a roadshow on 17th June!

The roadshow will see us connecting with residents to celebrate and promote greener lifestyles and choices, promote groups and local organisations that do environmental work, and hear from locals on how we can all make Basingstoke greener. We'll be visiting various places in town throughout the day and will be in Beggardwood Park from approximately midday until 2pm. Please do stop by – all are welcome! You can find out more exact time and place details once confirmed on our Facebook, Twitter and Instagram feeds @wepbasingstoke. I'll also publish details on my monthly newsletter; WE For HWB, which you can sign up for on the QR code here.

If saving the environment is your thing, I also recommend joining Greener Basingstoke, a non-partisan green advocacy group I'm part of who meet monthly and hold regular stalls in town. You can find out more on www.greenerbasingstoke.org.

I hope to see you on 17th June at our Green Week roadshow!

Stacy Hart – Women's Equality Party Basingstoke Leader
